**JOINT MOTION TO REMOVE CASE FROM ACTIVE DOCKET**

---

Plaintiff Patrick Craven, M.D. and Defendants State of Tennessee; Marie Williams, in her official capacity as Commissioner of the Tennessee Department of Mental Health and Substance Abuse Services; Dr. Terry Holmes, in his official capacity as Medical Director of the Tennessee Department of Mental Health and Substance Abuse Services; and Dr. Lydia Haren, in her official capacity as Clinical Director of the Moccasin Bend Mental Health Institute (collectively the “Parties”), by and through their respective counsel, jointly move the Court to remove this matter from the active trial docket and to place it on the inactive docket. As grounds for the Motion, the Parties would show that: (a) they have agreed to recommend resolution of this litigation pursuant to Tenn. Code Ann. § 20-13-103; (b) they wish to be relieved of the obligations of the trial docket

while the statutory review process is ongoing; and (c) they have agreed that Defendants should be excused from their May 31, 2019 responsive-pleading deadline because the statutory review process is underway. The Parties will notify the Court at the conclusion of the statutory review process as to whether the proposed, non-trial resolution of this matter is authorized by the necessary state officials or whether this matter must be returned to the active trial docket. For these reasons, the Parties respectfully request that the Court grant their Joint Motion to remove this action from the active trial docket throughout the pendency of the review process mandated by Tenn. Code Ann. § 20-13-103.

Respectfully submitted,

**HERBERT H. SLATERY III**
